sky**bar**™ Wine Glow **Cover**

Keep your wine chilled and show off with style.

The skybar™ Glow Cover is a unique way to entertain with wine, champagne and spirits. The double wall insulated clear cover and separate illuminated base turns your wine into a unique and functional centerpiece on your table or bar.

Skybar™ wine accessories are an ideal gift for any wine lover, as they add elegance and ease to any wine experience. Offering a beautiful balance of form and function the skybar™ Glow Cover extends the time your wine will maintain the ideal serving temperature while showcasing your bottle… so you can focus on entertaining your guests with style and ease and enjoying good food, great conversation and your favorite wines at your leisure. Perfect for Alfresco dining.

With both the elegant cover and illuminating base, the skybar™ Glow Cover is the ideal solution to entertaining with ease, by encapsulating your bottle, reducing mess and condensation, while keeping your wine cool and showcasing your bottle. This will become a conversational centerpiece that adds elegance and style to your table and the perfect addition to your wine tasting or dinner party.

sky**bar**™ Wine Glow **Cover**

Keep your wine chilled and show off with style.

How to use the sky**bar**™ Wine Glow **Cover**

1. Chill the bottle of wine to your preferred serving temperature.
2. Open the bottle of wine.
3. Carefully flip the Base of the Wine Glow Cover over to expose the bottom of the unit, place carefully so not to scratch the unit, on a soft cloth on a flat surface. Remove the Base Cover by holding the Base unit with one hand and rotating the Base Cover with the other hand in a counterclockwise direction. Insert four (4) double AA batteries in the proper orientation per the diagram on the unit. Replace the Base Cover and tighten in a clockwise direction.
4. To turn the Wine Glow Cover "on", press the power button (located in the center of the bottom base) once. To turn off, press it once again.
5. When a bottle of wine is placed in the center of the Platform of the Wine Glow Cover, the light will illuminate*. **THE WEIGHT OF THE BOTTLE ON THE UNIT WILL ACTIVATE ILLUMINATION, IF THE BOTTLE IS NOT IN PLACE THE LIGHT WILL NOT ILLUMINATE.**
   *If the light does not illuminate, check that the switch is in the on position, that the batteries are inserted correctly and that the batteries have power.
6. Place the cover over the bottle of wine and make sure it is seated on the Wine Glow Cover base.

   Your wine will remain at serving temperature for up to 2 hours.

Recommendations for Use

1. Always use the Wine Glow Cover when maintaining serving temperature to minimize condensation and protect table surfaces.
2. Use care when transporting open bottles, never carry bottles within the Clear cover.
3. The Clear Cover need not be chilled to insulate the wine bottle.

Care & Cleaning

1. To clean the Wine Glow **Cover**, simply wipe with a damp cloth.
2. Do not submerge any part of the sky**bar**™ Glow **Cover in water**. **NOT DISHWASHER SAFE.**
